

WEB: PRIVACY POLICY AND LEGAL NOTICE

PRIVACY POLICY & LEGAL NOTICE

I. PRIVACY POLICY

In compliance with the Regulation (EU) 2016/679 Of The European Parliament and of the Council of 27 April 2016 on the protection of natural persons, with regard to the processing of personal data and on the free movement of such data, and the Organic Law 3/2018, of 5 April, on the personal data protection and guarantee of the digital rights, the user is informed of the conditions of the processing of its personal data on the website: fagrongenomics.com, in such terms:

Data controller

Personal data obtained by this website will be processed by FAGRON GENOMICS S.L.U., with address for the exercise of rights on c/ Josep Tapiolas, 150 - 08226 Terrassa (Barcelona). E-mail: info@fagrongenomics.com. Contact details of the data protection officer: dpo@fagrongenomics.com

Purposes of the processing

- Manage the commercial or professional relationship between the user, the company or organization in which it provides services and Fragron Genomics, SLU
- To keep you informed about our products and services, when requested, using the forms of the web site, or by email.
- Answering and managing your queries, comments and suggestions, when applicable.
- Managing your participation in actual or future recruitment procedures, when the candidate has sent its personal data (including its curriculum) for that purpose.
- Gather information relating the use of the web site, analysing the number of visited pages, the number of visits, as well as its frequency and the activity of the users. For this purpose, the Controller uses statistical information prepared by the Internet Service Provider that does not allow the identification of the personal data subject in any case.

Lawfulness of processing

Consent. Personal data collected by the forms of the web site shall be processed only on the basis of the consent given by the personal data subject, which would have been given by checking the appropriate box. This consent can be withdrawn in any moment.

Legitimate interest pursued by the Controller. The statistical information gathered from this website shall be processed on the basis of the legitimate interest of the Controller. This information does not allow the identification of the user.

Recipients

Personal Data collected on this web site shall not be communicated to any third party, except legal obligation.

Storage

Personal data obtained from the user for the purpose of sending commercial communications will be stored until the personal data subject requests its erasure or revokes its consent.

If the user sends its personal data in order to take part in a Controller's recruitment process, data will be processed for the procedure which would be in course at that moment. If the application is dismissed, data could be stored up to two years, with the purpose of taking it into account for future recruitment processes.

If user sends its personal data in order to contact the Controller, or to ask any query or suggestions, personal data shall be stored while needed for that purpose and as long as any liability could bear as a result of the data processing. Statistical data resulting from the analysis of the website traffic are stored up to three years.

Rights

Data subject can exercise its rights to access, rectification, erasure, to restriction of processing, to object as well as to data

portability, by writing to c/ Josep Tapiolas, 150 - 08226 Terrassa (Barcelona). E-mail: info@fagrongenomics.com. In case of non-conformity with the processing, data subject has the right to lodge a complaint with a Spanish supervisory authority: Agencia Española de Protección de Datos (www.aepd.es).

Child protection policy

The user providing its personal data through forms included in this web site declares who provides its personal data on this website formally declares being over 18 years of age.

The access to this web site is forbidden to any person under the age of 18 years.

The Controller reminds people over the legal age, who could have minors under their charge, of the liability resulted from the incorporation by the minor of its personal data in order to request any product or service.

Besides, advises the user of the existence of software which could restrict the navigation, through filters or blockings, on specific contents.

Social networks

By following our social network's profiles, the user consents the processing of its personal data in accordance with the appropriate social network's Privacy Policy. The user also consents the access and process, by the Controller, of its profile's data and the shown on its wall of the news relating the products and services provided by the Controller. The request of the user to connect with the Controller implies its consent for the mentioned processes, being this the legal basis for the processing. Personal data will be stored until by the personal data subject objects or revokes its consent, which could be done at any moment.

Comments and contents published on social networks will become public information. Thus, users must be extremely careful when sharing private information. Controller shall not respond of the information users might have included on its social networks. Although, people whose personal data were published or appeared on the comments, could request the cancellation of those to the Controller.
